FOR IMMEDIATE RELEASE

The Intricate Intimate

Opening: May 6th at 6PM

“Our spirituality is fed by our sensuality — meaning that we are present in the world.” - Maya Angelou

In collaboration, artists and curators [Swoon](#), [Monica Canilao](#), and [BLK PALATE](#) present a group art exhibition focusing on the erotic. Featuring established and emerging artists, *The Intricate Intimate* offers a safer space for artists to explore the intricacies of erotic intimacy, on their own terms and based on their own definitions. The public is invited to view this show and consider questions the co-curators have asked the artists:

What seduces you? What arouses your vulnerability? What empowers your sensual self? How does the intersection of identities and lived experiences inform sexual intimacy? What’s the relationship between sexual expression and survival? Where are the taboo spaces in which humans access healing? What is the role of art in reflecting how each of us becomes liberated from the societal constraints that we are born into?

We have invited a (this) collection of artists whose palpable work inspires audiences to explore the intricacies of their own erotic intimacy. Listed below are those featured in *The Intricate Intimate*, with their respective media platforms attached.

[Heather Benjamin](#), [Lanee Bird](#), [Monica Canilao](#), [Judy Chicago](#), [Raúl de Nieves](#), [Jane Dickson](#), [Tatyana Fazlalizadeh](#), [C. Finley](#), [Hugo Gyrl](#), [Hana Kostis](#), [Shoog McDaniel](#), [Karmimadeebora McMillan](#), [Kalae Nouveau](#), [Rajni Perera](#), [Cristy Road Carrera](#), [Lila Roo](#), [Caitlin Rose](#), [Marigold Santos](#), [Evie Snax](#), [Elena Stonaker](#), [Judith Supine](#), [Swoon](#), [Nichole Washington](#), [Lauren YS](#), [Patrick Dougher](#)
